Due to low participation in fall softball across our neighboring recreation departments, all games will be scheduled as doubleheaders. With strong participation on each of our 10U teams, we are committed to ensuring that every player has ample opportunity to participate. Each game will either be 1 hour long or consist of 5 innings, based on the coaches' discretion at game time. However, no game may exceed the 1-hour time limit with a 15 minute break in between games.
